Remit

- Develop and maintain an accurate picture of the nature and extent of substance misuse and its consequences in North Ayrshire.
- Evaluate the impact of measures designed to minimise the impact of substance misuse in North Ayrshire.
- Identify gaps in services provided and develop resources to address the gaps.
- Implement the ADAT Corporate Action Plan for ongoing Alcohol Misuse in North Ayrshire.
- To provide a forum to progress the joint planning agenda for substance misuse services in North Ayrshire.
- To respond to national and agency policy proposals as appropriate
